SPELLING BEE (DICTATION) STUDY GUIDE FOR JSS 1-SSS 1. OCTOBER/NOVEMBER, 2026.

Instruction! Candidates are to adhere to the following rules among others as words from this guide will be read for candidates to write down correct Spellings in British format. Participants will be expected to write such down within stipulated time frame, starting with capital letters for each word, all 't's must be crossed and 'i's properly dotted likewise other required letters. Cancellation, retracing, shading and the likes are against the rule as no written letter can be changed and all letters must be legible enough to avoid assumption. Good luck.
